Re: **Office of Regulatory Staff v. Respondents, Docket No. 2005-224-C**
(Before the Public Service Commission of South Carolina)

Respondent: United States Internet, Inc. – listed on Exhibit A

Dear Mr. Terreni:

We have received a copy of the petition in the above-referenced matter. The petition apparently was served on EarthLink, Inc. ("EarthLink") as successor to United States Internet, Inc. ("USI"). USI is listed on Exhibit A to the petition as a company that is "in good standing with the Secretary of State" but has "failed to file the required documents."

Please be advised that neither EarthLink nor USI require a Certificate of Public Convenience and Necessity for their current operations and accordingly do not object to the revocation of the Certificate of Public Convenience and Necessity granted to USI.

Please do not hesitate to contact the undersigned with any comments or questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Lawrence A. Slovensky".
